RE: INFORMATION REQUIREMENT, Section 308 of the Clean Water Act, 33 U.S.C. Section 1318 to Washington Aqueduct, 5900 MacArthur Boulevard, Washington, DC 20016, Baltimore District, US Army Corps of Engineers

Dear Mr. Seligman:

The following information is submitted in accordance with the subject request for information letter dated January 6, 2016. In our February 12, 2016, letter to you we said we would send monthly updates as of the 15<sup>th</sup> of the month reporting on dredging activity at the Georgetown sedimentation basins in the prior 30 days.

This update is for the period November 15 through December 14, 2016.

The commercial supplemental dredging operations have removed 276,488 pounds of sediment from Georgetown basin 2 during this reporting period. This material was pumped to the residuals processing facility for dewatering and disposal.

I certify that the information contained in or accompanying this submission to be true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations. I certify as having responsibility for the persons who, acting under my direct instruction, made the verification that is information is true, accurate, and complete.

Sincerely,

Thomas P. Jacobus  
General Manager
